

Take the Local Harvest Challenge

Sunday 6th April - Saturday 12th April 2014

Support local
growers & reclaim
your food choices

One week ~ Get Involved!

Find good food close to you!

Use the Local Harvest website to find resources near you by entering your postcode, including farmers' markets, farm-gate produce, local food swaps, community gardens, organic retailers and more.

Join the many individuals, households and community groups around Australia as they take up the Local Harvest Challenge. Put into practice the art of eating locally, supporting local and organic farmers and businesses, and discovering the face behind your food.

Choose a bite-sized, meal-sized or feast-sized challenge to suit you. Sign up for the Challenge week at www.localharvest.org.au/challenge
